**Brigt Dale** is a Senior Researcher at Nordland Research Institute, Norway, working out of his office in the Lofoten Islands. He holds a PhD in Political Science and an MD in Visual Anthropology from the University of Tromsø, Norway, and focusses on theory development (particularly security theory, governmentality, biopolitics and cultural theory) and research on the relation between politics, security, and power and resource management, in addition to processes that influence the development of communities.

Dale's empirical research interests includes petroleum development, tourism, aquaculture, mining and cultural heritage – all themes which are of importance for development in the north – and beyond.

#### EDUCATION

**2011:** PhD, Department of Sociology, Political Science and Community Planning, University of Tromsø.

**2004:** Cand.Polit, Social and Visual Anthropology, University of Tromsø.

**1997:** Cand. Mag, University of Tromsø/ University of Oslo

#### RELEVANT POSITIONS

**2011 – present:** Senior researcher, Nordland Research Institute,

**2008 – 2011:** Research Fellow, University of Tromsø

**2004 – 2008:** Research Advisor, University of Tromsø

**2003-2004:** Technician and technical advisor, Visual Cultural Studies, University of Tromsø

## RELEVANT PROJECTS

2013 – 2015: MANAQUA: Building a Sustainable Future for the Aquaculture Industry: Local Legitimacy, Area Access and Strategies to Manage Controversy in the Coastal Zone

2013-2014: THROUGH JOY: Enhancement of Regional Attractiveness through Development of Joyful and Sporty Hobbies

2014-2016: ARCTICFRONT: The Arctic as a Mining Frontier: Sacrifice Zones or Sustainable Landscapes?

2014-2017: ARCTICCHALLENGE: Arctic Petroleum Development as a Challenge to Societies: A Comparative Look at Norwegian, Greenlandic and US/ Alaskan Case Sites

2015-2016: MIDAS: Mining Deposits and Sustainability
